GREETINGS AND PRAYERS. Messages come from all over the world to the Capitulars, wishing good work, praying that the Spirit of God may assist them and that St Mary may be a companion of fraternity. Leopold asks if there is a new Superior General; Fredi sends tender emoticons; Sergio invokes a blessing; Leonard asks the Lord to inspire His will on the capitulars; Joachim, may the Immaculate Virgin assist each one; Gianluca and Aleandro greet from the Mother House of Saronno; Paola followed the opening Mass online; Roy thanks for receiving the communications daily, hoping that the power of the Holy Spirit will be fulfilled in each of the capitulars; Eric also thanks and sends greetings from his community...

FORMATION. Today the theme of formation has taken for the group work and sharing and it will be the same tomorrow. This is a crucial aspect of the spiritual and professional life of a good religious. The Congregation is engaged all over the world in the field of education and formation. The University of Our Lady of Good Counsel of Tirana (picture), was founded in 2004 and has about 3000 students.
