

GROUP WORK. The four working groups began yesterday to develop ideas and initiatives on the theme "Founder". In addition to the commitment to spread more the spirituality of Blessed Luigi Monti, the capitulars laid the foundations for planning the Bicentenary of the birth of the Blessed (Bovisio Masciago 1825-2025). The request to know his figure more closely comes from all continents, in particular for his identity as a lay person consecrated in the name of the Immaculate at the service of the most fragile and needy brothers and sisters.

LUIGI MONTI IN ENGLISH. After announcing the release in French, it is now announced the imminent publication in English of the two volumes of the biographical work on Luigi Monti written by Fr. Erasmo Perniola. These are two substantial volumes rich in information and insights. The coordinator of the translation is Fr. Michael Sebastian, Indian religious, vicar of the Congregation, currently in Tirana.

TECHNOLOGY BREAKS IN. The presence in the Chapter of young religious and... globalized, it has favored the use of electronic communication technologies, with online and live connections. More and more the proclamation of the Gospel runs without wires, opening up new and interesting opportunities. Without neglecting face-to-face interpersonal contact.
